Tests for evanide treatment made during the current week has brought out the restriction of 90 per cent from the law grade ore of which the compage has over 200,000 tons blocked This reserve carries an averyes of ix ounces of silver which, an extraction of 90 per cent. would give the company a handsome profit equal to a handsome dividend without considering the jewelry ore from the winze.

The handsome new offices of the company at the corner of St. Patrick street and Brougher avenue in the State Bank building will be ready for husiness by the end of next

Reservations for sleepers and hotels assure Reno of a large attendance at the republican gathering next Thursday, January 15. W. S. Lunaford the chairman, is sending out circulars stating that the responses are in excess of expectations and that he looks for an outpouring such as never has been seen at anything short of a state convention.

The Tonopah committee has been advised that all members from southern Nevada will be declared vice presidents of the meeting and is paid the citizens from this secswarving logality to the party.
